

SEE ABILITY

Extraordinary every day

Devon Support Service

Honiton, Devon

Devon Support Service is a supported living service for adults with learning and other disabilities, many of whom have sight loss.

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at Devon Support Service can live more independently as active participants in our communities, and make more choices about what they want from life every day.

Where to find us

Located in a lovely part of Honiton, Devon Support Service is close to good transport links.

The service is also located within the town centre and is very close to amenities, shops, cafés and pubs.

'It takes some effort to drive me all the way from Devon to Nottingham on a Saturday. Who else would do that? I'm really happy with my support, nothing fazes them and it's just really good they are happy to do it.'
