

SEE ABILITY

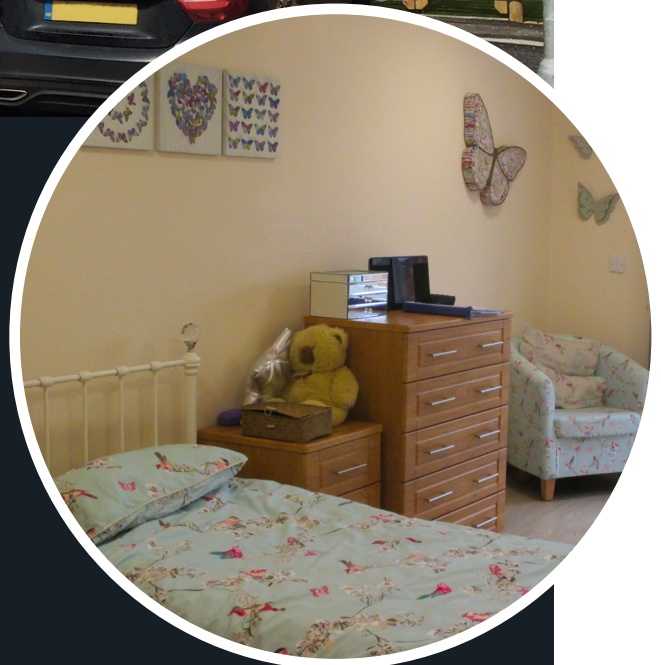

Extraordinary every day

Fairways

Aldershot, Hampshire

Fairways in Aldershot is a residential home for people with a range of disabilities and moved from Fleet in 2017 to join our supported living service.

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at Fairways can live more independently as active participants in our communities, and make more choices about what they want from life every day.

Where to find us

Located in a lovely part of Aldershot, Hampshire, Fairways is close to the town centre and local shops and cafés.

Guildford, Leatherhead and London are nearby, with good public transport, so it's easy to explore the local countryside and city.
