

# SEE ABILITY CHRISTMAS CODE CRACKER

## How does it work?

Over the page, you'll find 17 **Christmas film titles** spelt out in the same emoji code. Every emoji corresponds to a letter of the alphabet. It's your job to work out what letter every emoji stands for. The code is the same for every Christmas film title.

**Hint:** Start by guessing film titles using the number of letters in the title, and then seeing if those letters work elsewhere. You might also want to look out for repeating words across the titles.
