Section 5 – Summary

ABOUT THE CHILD'S EYES AND VISION:

ACTIONS FROM TODAY'S TEST:

Glasses needed

Modifications to classroom / schoolwork needed

Education Health and Care Plan should include information about vision needs

Child is eligible for certification as visually impaired If yes, is certification in place?

GP action required

Another specialist needs to see this child

Section 6 – We tested to see if glasses are needed

We were able to test for glasses
today Glasses are needed
Why are glasses needed?

We measured for focusing accuracy:

--

We gave a prescription for glasses:

R I G H T		Sph	Cyl	Axis	Prism	Sph	Cyl	Axis	Prism	L E F T
	Dist									
	Near									

What are these glasses for?

Please see SeeAbility website for more information about Wearing Glasses: www.seeability.org/childreninfocus

Section 7 – Results of the vision tests we did today

Visual acuity describes how well a person sees black on white detail with glasses if needed.

The vision results were:
