

SEEABILITY

Extraordinary every day

Vacancy

South Gloucestershire Support Service

Filton, Bristol

South Gloucestershire Support Service is a supported living service for adults with learning and other disabilities, many of whom have sight loss.

Vacancy

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at South Gloucestershire Support Service can live more independently as active participants in our communities, and make more choices about what they want from life every day.

Where to find us

Located in a lovely part of Filton, South Gloucestershire Support Service is close to good transport links to Bristol.

The service is also located close to a variety of shops and supermarkets as well as a community centre.

We are looking for the ideal housemate to share our friendly home.

Living at South Gloucestershire Support Service

South Gloucestershire Support Service was designed to meet daily living, social and personal care needs. These are arranged through a combination of one-to-one and shared support hours.

The people we support in Filton live independently within their flats, and have very busy and varied lives. People have learning disabilities and/or autism and the hours of support vary depending on need.

We love:

- Going to the cinema
- Swimming
- Theme Parks
- Listening to and playing music
- Watching shows at the Hippodrome

About the house

Eight individual flats in two neighbouring buildings, both with two floors.

Each flat includes a bedroom, kitchen, lounge/diner and bathroom.

Like to know more?

We're always happy to tell you more about what's on offer, so please get in touch.
