# Specialist support services

---

## **We don't underestimate people.**

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at Applewood can live more independently as active participants in our communities, and make more choices about what they want from life every day.

## **Where to find us**

Located in a lovely part of Seaford, East Sussex, Applewood is close to the town centre and local shops and cafés.

Eastbourne, Lewes and Brighton are nearby, with good public transport, so it's easy to explore the local countryside and coast.

**'I like the garden.  
It makes me feel  
happy'**

## **We are looking for the ideal housemate to share our friendly home.**

We are currently looking for a new housemate for the flat, where the lounge opens out to our spacious rear garden. Don't worry, you won't be lonely, as the main house is a short walk across the patio.

## **Living at Applewood**

---

Four people currently live at Applewood. They are a very active group, who share a love of music and spend a lot of time getting out and about in the local community.

### **We love doing:**

- Gardening
- Bowling
- Shopping
- Local pubs and cafés
- Playing pool

### **About the house**

Four rooms, two of which are en-suite and a self-contained flat.

Shared lounge and kitchen.

Conservatory with fantastic views of the garden.

**'It's fun at  
Applewood,  
I live my  
own life.'**

Rita
