

SEE ABILITY

Extraordinary every day

Heather House

Tadley, Hampshire

Heather House is a residential home for young people with a range of disabilities, including sight loss, and life-limiting degenerative conditions.

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

Heather House has a reputation as a world-leading specialist nursing care home, which offers a high-quality service for people with juvenile Batten Disease (CLN3) and other complex conditions.

Where to find us

Located in a lovely part of Tadley, Hampshire, Heather House is close to the town centre and local shops and cafés.

Reading and the Wessex Downs are nearby, with good public transport, so it's easy to explore the countryside and a town.

“Sebastian just keeps improving and is doing more. We’ll carry on trying new ideas and I’m sure he will keep surprising us and showing us what he wants to do.”

Anna,
Sebastian’s Physiotherapist

Living at Heather House

The people supported at Heather House are a very sociable group. Heather House also has the benefit of being near the Penny Centre which offers a range of activities and therapies.

We love doing:

- Music therapy
- Arts and crafts
- Gardening
- Swimming
- Spending time enjoying the garden

About the house

Eight bedrooms with en-suite wet rooms and hoist facilities.

An open plan lounge and kitchen.

Landscaped gardens.

A hydro-bath and double Jacuzzi room.

Like to know more?

We're always happy to tell you more about what's on offer, so please get in touch.

About SeeAbility

We don't underestimate people.

SeeAbility provides extraordinary support and champions better eye care for people with learning disabilities and autism, many of whom have sight loss.
