

SEE ABILITY

Extraordinary every day

Leatherhead Support Service

Leatherhead, Surrey

Leatherhead Support Service is a supported living service for adults with learning and other disabilities, many of whom have sight loss.

Specialist support services

We don't underestimate people.

SeeAbility is genuinely passionate about improving lives and delivering excellent outcomes.

We have one of the country's most comprehensive in-house team of specialists, ensuring our approach is person-centred and expert-led, based on positive behaviour support.

The team includes consultant behaviour analysts, speech and language therapists, physiotherapists, optometrists, and vision rehabilitation workers.

The people we support at Leatherhead Support Service can live more independently as active participants in our communities, and make more choices about what they want from life every day.

Where to find us

Located in a lovely part of Surrey, Leatherhead Support Service is close to good transport links.

Eastbourne, Lewes and Brighton are nearby, with good public transport, so it's easy to explore the local countryside and coast.

'I've been supported by SeeAbility for a very long time now and I enjoy it here. My greatest achievement was doing the John O'Groats to Lands End tandem bike ride in 2010 and raising money for SeeAbility'

Ivan
